

Soleil Santana

Website Design & Development

Services:

Soleil Santana is in agreement to design and develop a website for _____ within a professional and timely manner.

- We may work together to organize visuals and indicate the preferred aesthetic approach to the website.
- You'll have opportunities to review my work and provide appropriate feedback through email or messaging.
- Project development will **NOT** commence until half of the production costs are paid.
- After the website is published, _____ **MUST** comply and pay monthly hosting costs for their website. This monthly cost will be determined at the end of development and can be adjusted later on.

Design Stage:

The first step to creating your website is emailing me to discuss what design aspects you would like to include from the list below. Color palette, font customization, & additional content **MUST** be provided and permitted to be in use by you. This includes personal **images, artwork, text**, etc.

Graphics and photographs:

You should supply graphic files in an editable, **vector digital** format. You should supply photographs in a **high resolution digital** format. If you choose to buy or use free stock photographs, I can suggest stock libraries. If you'd like me to search for free stock images for you, please inform me.

HTML, CSS and JavaScript:

I deliver pages developed from **HTML markup** and **CSS stylesheets** for styling.

Design Aspects	Costs	Inclusion
Basic Templates and two additional pages	\$60	Automatically Included
(Parallax) Single page scrolling	\$15	
Front Page Carousel	\$15	

(Display Content)		
Tablet Responsive Layout	\$10	
Mobile Responsive Layout	\$20	
	Total Costs	

Intellectual property rights:

You guarantee that all elements of text, images or other artwork you provide are either owned by you, or that you have permission to use them. When you provide text, images or other artwork to me, you agree to protect me from any claim by a third party that I am using their intellectual property.

I guarantee that all elements of the work I deliver to you are either owned by me or I have obtained permission to provide them to you. When I provide text, images or other artwork to you, I agree to protect you from any claim by a third party that you're using their intellectual property. Provided you've paid for the work and that this contract hasn't been terminated, I'll assign all intellectual property rights to you as follows:

- You'll own the website I design for you, plus the visual elements that I create for it. I'll give you source files and finished files and you should keep them somewhere safe as I am not required to keep a copy. You own all intellectual property rights of text, images, site specification and data you provided, unless someone else owns them.
- I'll own any intellectual property rights I've developed prior to, or developed separately from this project and not paid for by you. I'll own the unique combination of these elements that constitutes a complete design and I'll license its use to you, exclusively and in perpetuity for this project only, unless I agree otherwise.

Displaying the work:

I reserve the right to display all aspects of the creative work, including sketches, work-in-progress designs and the completed project on my portfolio and other social media.

I intend to carry out my work in accordance with good industry practice and at the standard expected from a suitably qualified person with relevant experience.
